

**Division of Career Education
New Teacher Mentoring Program**

**Structured Experiences II – Second Semester
First Year Protégés**

As a part of the Mentoring Program, structured experiences will guide protégés through activities required of school Teachers. Mentors will provide guidance in the development phase and feedback after completion of the structured experiences. The Structured Experiences II will need to be completed and sent to your mentor no later than 30 days prior to the due date. Mentors will complete a comment form for each Structured Experience II. One copy of the comment form will be sent to CMSU by the individual due date and a copy will be given to the protégé.
